2ND YEAR CLASS 5
.....
Every day, every single day, before walking through these doors, I have to muster up a lot of courage.
This place doesn't hold anything good, some people just endlessly mock me...
Even though several weeks ago, Sanyue-tóngxué's* appearance made her somewhat look forward to going through these doors, it was a pity that yesterday ..

*Tóngxué is an honorific used to address a classmate.

She personally buried those hopeful feelings
PLUS, YOU SMELL LIKE FISH!
sigh~
Why I definitely won't feel that back home like this! Compared to my boyfriend, neither is bad...
How can something so small be this expensive!
Besides in a woman's life you have to fall in love at least once or twice to feel complete!
Open
—Everything will get better...

SPLASH!
HAHAHAHA!!!
HAHAHAHA!!!
CONGRATULATIONS, WEILAN-TONGXUE! YOU JUST GOT THE ANNUAL MARINE AWARD!
Yimei

TO LET YOU AND SANDIE-WANGZI* GET ALONG BETTER TOGETHER, I PERSONALLY HAD SOMEONE GATHER THE WATER THAT WAS USED TO WASH FISH YESTERDAY!
HEEHEE.. I HAD THEM ESPECIALLY DELIVERED HERE, AND NOW MY FAMILY'S HORSES HAVE BECOME STINKY!
HAHAHAHA!!!
HAHAHAHA!!!
I've already helped five old grannies across the street, pushed three wagons..
Taken a lost child to the police station...
And I've finally made it here.

*"Wangzi" is an honorific used to designate a "Prince."

I didn't realize that I was afraid that I was the Pacific's worst...
Gasp
Gasp
Gasp
I've already taken "Dancing with Others," "Biological Studies," "Who Touched My Tail," and a thousand other books and learned them.
I even deceived (mermaid imitation) the gods. Why did it still leak out? Moreover...
You cannot skip class! Since you're a guy, take responsibility for your actions! The fate of all mermaids lies in your hands Tomorrow go back and solve this by yourself!

I, I'm SORRY. I HAVE SOME URGENT ISSUES TO ATTEND TO RIGHT NOW... PLEASE EXCUSE ME...
hmm
EH?
APOLOGIZE
HAH?! WHAT?
SANYUE -TONGXUE ...

SI- SINCE SANYUE-TONGXUE IS ASKING ME TO, THEN I'LL JUST SAY I WAS WRONG!
SORRY, WEILAN
IT'S OKAY
I WAS SAYING—
APOLOGIZE TO THE FISH!
Sanyue Long! Are you trying to purposefully humiliate me?!!
But, Sanyue -wangzi has that kind of an expre-sion ...
I UNDERSTAND ..I'M SORRY. FISH

CLOSE!

Some random carrier in the school
Click
HEY..
IT, IT'S ME, SIS.. ~_~b
Uh... it's Xuan? Did that brat obediently go to school?
AH I ALREADY WATCHED HIM GO IN, BUT LATER I SAW HIM COME OUTSIDE AGAIN~~
Having fun
..Hmm" that doesn't count as much! Living with humans is really hard! And this aging mother has a useless thing for a little brother! Hurry up and follow him! Calling me for things as small as this, this aging mother is really busy, you know!
HI!... CALM DOWN. CALM DOWN. XIAO LONG DEFINITELY DOESN'T HAVE ANY PROBLEMS.
HEY, YOU! I TOLD YOU NOT TO CALL ME WHILE I WAS WORKING! THIS AGING MOTHER IS IN SHORT SUPPLY OF LV' AND CAN'T GO ON THE THREE-DAY TRIP TO HONG JIAN...
"Xuan" is an honorific to refer to young people and can apply to either gender. Sort of like "chan" and "kun" in Japanese.

SPORTS ROOM
WHY DON'T YOU GO HOME TO CHANGE? WHAT IF YOU'RE SEEN HERE?
THERE'S NO NEED TO GO HOME FOR SOMETHING AS TRIFLE AS THIS. DON'T WORRY!
IT'S A GOOD THING THAT I AM IN CHARGE OF CLEANING THIS ROOM. SO I CAN JUST HIDE MY CLOTHES HERE!
SANYUE-TONGXUE, IF YOU HAVE ANY SECRETS, YOU'RE WELCOME TO HIDE THEM HERE AS WELL~
=_=b
.....
SINCE YOU'RE SAYING IT LIKE THAT, DOES THAT MEAN THIS HAPPENS OFTEN?
IT'S NOT LIKE THAT. WHEN YOU CAME, IT WAS THE FIRST TIME.
open

SORRY TO KEEP YOU WAITING!

WHY... ARE YOU STILL SO CHEERFUL?
BECAUSE I MET YOU— SANYUE-WÁNGZI.
I NEVER HOPED FOR ANYTHING FROM OTHER PEOPLE. BECAUSE... THIS PLACE ISN'T MY WORLD.

THIS PLACE ISN'T MY WORLD...
Sadly, there's hardly a single person who can appreciate a mermaid's love.
This place isn't my world either.
Outside of this beautiful green sea is a world full of humans.
Even though they can sometimes act lovingly and enthusiastically, they are also too conceited for no reason...
Walking amongst them, it can still be compared to walking on knives...

WHY DO YOU STILL STAY HERE THEN?
BECAUSE I TELL MYSELF, THAT ALL THAT I'VE DONE, ALL THAT I'VE LOVED,
Step
WERE ALL TO MAKE MYSELF STRONGER!
The same question, asked to many merpeople.

SO THAT ONE DAY, I CAN GO OUTSIDE TO FIND MY OWN WORLD!
YOUR OWN... WORLD?
THAT'S RIGHT! MY WORLD... WILL DEFINITELY BE SOMEWHERE IN THE FUTURE. THERE WILL BE THE CLEAR SKY, THE BIG SEA, SCENTED FLOWERS, AND ALSO LOTS AND LOTS OF PRETTY FISH!
FISH!?

When I was small, Dad and I would go into the sea together. There would be a lot of colorful fish surrounding us...
It was as though they saw me as a friend... I was so happy!
However, of course... you're still the best...
Hm?
Then, what about Sanyue-tongxue's world?
Heehee!

MINE?
I... AH! WE'VE ALREADY BEEN OUT HERE FOR THIS LONG. WE BETTER GET BACK TO CLASS NOW!
EH? SANYUE-TONGXUE...
My world would be perfect if only there were no humans...

We're brothers from the same family, so what's there to be embarrassed about? Reveal some of your feelings!
I told you to get out of my way! I'm almost late for school!

AIYA, AIYA, SINCE WHEN IS XIAO LONG SO ENTHUSIASTIC ABOUT GOING TO SCHOOL? HAVE YOU FOUND YOUR OBSESSION...

PLUS, THE TIME YOU ARE COMING HOME FROM SCHOOL IS GETTING LATER AND LATER...

MH-WHAT? IT'S A CLUB! A CLUB!

MY SCHOOL BAG A MANGA CLUB, A DRAMA CLUB, A COS CLUB, A LOGIC CLUB, A BASKETBALL CLUB...

KICK!

So shy TAT

I'M OFF!

That's right, St. Teresa Academy does have a manga club, drama club, COS club, logic club, and basketball club...

Sanyue-wángzi LOVE!

The basketball club welcomes you!

Drama Club

These enthusiastic and commendable club leaders have all launched fierce invitations towards him, but the unapproachable and hot Sanyue-wángzi has yet to participate in any one of these activities...

CRY!
After observing for a few days, humans don't seem to be as scary as the books say they are.
Found one baby!
Woot
They don't seem to be lacking things to eat, so they aren't in a hurry to kill the fish and throw them in the pot. Wellan hasn't even said that he's a fish lately... It makes one rather grateful. ^_^
*Twi$ is the Taiwanese currency. 1 Twi$ = 1 New Taiwan Dollar = 0.03114 U$ Dollars

But as soon as Long considered taking a step further in monitoring her and volunteered to walk her home.

I had previously thought that there was no way she would reject this offer...
THAT, UH, WE'RE NOT VERY CLOSE... SO WE SHOULD MUTUALLY LEAVE SOME DISTANCE BETWEEN US..
UN- UNLESS... SANYME- TONGXUE...*
LET'S HAVE AN AGREEMENT ON A "SAFETY THRESHOLD"!

That so-called safety threshold turned out to be the river outside of the block Weilan lives on. Long can't pass through this river because the other side of the river is the private area that Weilan doesn't want anyone to see.
AIYO! WHAT PRIVATE AREA!? THAT'S JUST HER BEING AFRAID THAT YOU'LL FIND OUT THAT SHE LIVES IN THAT NOTORIOUS SHANTY TOWN!
I NEVER THOUGHT THAT WE LAN-TONGXUE KNEW HOW TO FEEL SHAME! I THOUGHT THAT SHE HAD ALREADY DROPPED TO A THIEF'S LEVEL!
The slums? Rich area? ..Is that even important? Humans are really hard to understand!
HI~~ I'M SORRY, FOR MAKING YOU WAIT!

Today is a big harvest! Heehee~
What were you doing under the bridge?
Digging for wild plants!
I just need to go back home and cook it a bit... To feed, feed fish.
Fish definitely won't eat this type of food
You should be careful. This river's surface may look calm but the current is actually really strong.
The intersection of the two currents during winter is extremely dangerous. Whatever you do, don't get too close to the water.
Is Sanyue-tongxue worrying about me? I'm so happy! Heehee!
Relax, I'm really good at swimming!
Besides.. there are other people digging on that side as well.
Help...!
Look.
I told you so.
Woosh..

GLUG GLUG—
GLUG GLUG—
SAVE ME!
splash
SPLASH!
HOLD ON FOR A LITTLE LONGER! I'M COMING!

The distant surface looks as though something split it asunder...
What is that?

I'll sleep some more

NO.

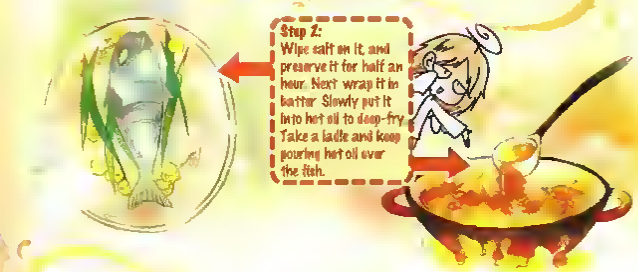
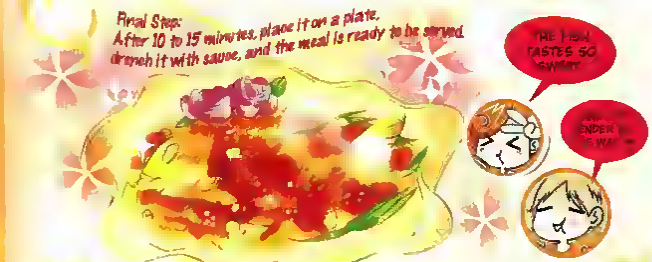
Sweet-and-Sour Mandarin Fish



Step 2:
Wipe salt on it, and preserve it for half an hour. Next wrap it in batter. Slowly put it into hot oil to deep-fry. Take a ladle and keep pouring hot oil over the fish.



Final Step:
After 10 to 15 minutes, place it on a plate, drench it with sauce, and the meal is ready to be served.

ANOTHER ALL-NIGHTER? WHY DOES YOUR COMPANY NOT TAKE A BREAK ...
EH... HE'S CURRENTLY HIDING IN THE CLOSET...
WHAT?
You don't need to mind this aging mother's business! Is Long still being obedient?
IT SEEMS LIKE HE WAS THREATENED BY A CLASSMATE TODAY...
That child will be fine dealing with his own matters. This aging mother will wait until she is home before speaking with him.
Chhriiing~~
CLICK!

Who would come this late to give clothes?
!
I'M SORRY TO BOTHER YOU. I'M HERE TO RETURN A BOOK TO SANYUE-TÓNGXUÉ...
How could he let a classmate know our residence so soon? That dummy!
BUT, RIGHT NOW MIGHT NOT BE A CONVENIENT TIME FOR LONG... He's still swimming in his own bubble~
THEN...YOU DON'T NEED TO CALL HIM.
PLEASE HELP ME PASS THIS TO HIM...
HE DROPPED THIS IN THE SCHOOL HALLWAY THE OTHER DAY.

YOUR INTENTIONS ARE GOOD, BUT IT WAS TOO RASH.
YOU JUST NEED TO GO ONLINE TO KNOW THAT WE MERMAIDS AREN'T CANNIBALS.

I never knew that mermaids existed, and it's living right beside me!
What kind of person can fall calm after they knew about that?
So... my impolite reactions weren't made on purpose
Sap-yye... would he disappear? AHHHH...? I didn't mean to hurt him?!
SO IT'S DECIDED! AFTER THE LAST CLASS, I'LL GO TO HIS HOME TO APOLO-GIZE!
I sought the newest skin!
Hey? That boy is not from our school?

All the boy students in this school wear suits. But this person...
The outline of him seems very familiar... Have we met before?

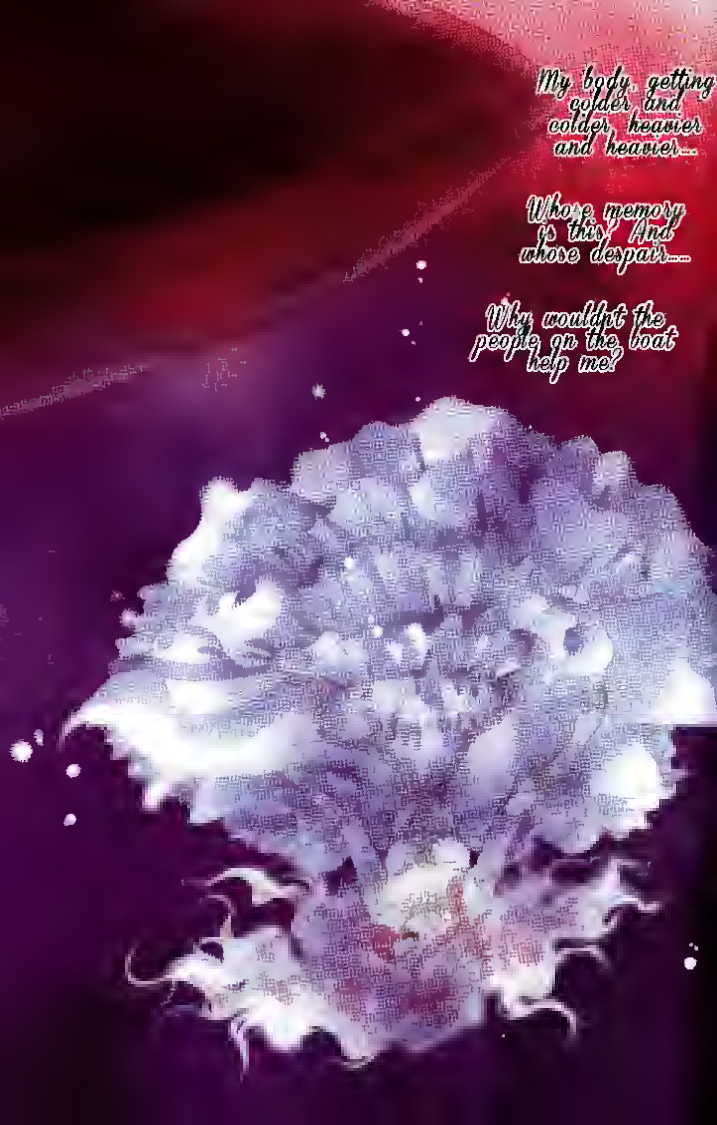
What is this place?
Black sea... Red sky
POOF
This star is blue. As if life, as if eyes
We watch the night sky. Praying for future, praying for love

Falling into the sea sobbing the sky cracked into pieces
One day... the star began falling

Took away the soul... He finally left
I never thought that beautiful song... would have such a sad ending...
Sketching out the track of the star, red colored scar



My body getting colder and colder, heavier and heavier...
Whose memory is this? And whose despair...
Why wouldn't the people in the boat help me?

SPLASH
